

PRODUCT DESCRIPTION

LED tube lights are the perfect solution to existing fluorescent lamps. Our Universal LED Tube Lights allow you to quickly and easily replace your less efficient and harmful fluorescent lamps with a safe, long lasting and highly efficient solution. The Universal Tubes can be installed either with the existing ballast or can be wired directly to 120 volt power, bypassing the ballast.

FEATURES

- Universal lamps work with existing ballast or directly with 120V power
- Safe, efficient and long lasting fluorescent alternative
- 5 Year Warranty
